

# Can You Help Us Close St. Theresa School's Deficit?

As we previously announced, we are projecting a School deficit of approximately \$129,000 for the upcoming 2020-2021 School Year. Since we have greatly depleted our savings over the last several years, we will not be able to operate the School for 2020-2021 with its projected deficit *unless* we can *significantly reduce* the deficit.

***As of 3/19/20, we have already raised \$59,340 through Donations and Challenge Matches.***

*We very gratefully thank everyone who has already made a donation.*

We especially thank our *two* Anonymous Donors (\$10,000 and \$5,000) and **GRACE Reality** (\$5,000) for their Challenge Matching Donations.

***While we are still well short of our goal of raising \$129,000, please keep the donations coming and please spread the word!***

***Can you help us by making a Donation to St. Theresa School?***

***Do you know a friend, an alumnus, and/or a business who can make a Donation?***

The **deadline for making donations** to allow us to make a reasonable and sound decision **has been extended to Monday, March 30.**

NOTE: Donations can be made anytime, but we need to have committed donations by March 30 in order to help us make our decision regarding the 2020-2021 School Year.

Donations can be made using the form below *or* online through the Parish's online giving program. You can access the "School: Close the Gap" fund through the Parish website [www.sttheresaotcj.org](http://www.sttheresaotcj.org) and clicking on the online giving icon *or* directly through this helpful link: [www.osvonlinegiving.com/1785](http://www.osvonlinegiving.com/1785)
