Summer Reading Program

June 2018

To: All Parents/Guardians of 2018-2019 St. Theresa School Students

Please find attached, information regarding St. Theresa School's *Summer Reading Program*. We are quite pleased to announce that we have recently updated the school wide program and suggested reading lists.

Our main goal in updating our *Summer Reading Program* was to include books that are interesting to our students. In so doing, we are hoping to maintain a program where our students are reading throughout the summer, more for the enjoyment of it and less for the assignment of it.

Attached is information for the students entering second grade. Each student is required to read *five* books during the summer months. If possible, at least one of these books should be non-fiction. Attached is a short recommended book list. However, any book approved by you will be accepted. In addition to reading, students will be required to complete a written activity for *one* of the five books, either the "Ice Cream Cone" book report or the "What Did You Think of the Story" book report. All students who complete this assignment and return the Summer Reading Log Sheet signed by you will receive 2 points on their 1st trimester Reading grade.

In closing, I would like to thank you, the parents and guardians, for your continued support of our Summer Reading Program. When home and school work together, it is our students who benefit the most. It is our goal that the students retain their learning over the summer, so that they return for the new school year prepared and ready to learn more!

May you be blessed with a wonderful Summer,

Mrs. Diana Tice
Principal

Summer Reading Log Sheet

Student's Name: _____

Grade student will be entering in August 2018: _____

Book Title and Author Name	Parent Signature
1.	
2.	
3.	
4.	
5.
