Summer Reading Program

June 2018

To: All Parents/Guardians of 2018-2019 St. Theresa School Students

Please find attached, information regarding St. Theresa School's *Summer Reading Program*. We are quite pleased to announce that we have recently updated the school wide program and suggested reading lists

Our main goal in updating our *Summer Reading Program* was to include books that are interesting to our students. In so doing, we are hoping to maintain a program where our students are reading throughout the summer, more for the enjoyment of it and less for the assignment of it.

Attached is information for the students entering first grade. Each student is required to read *five* books during the summer months. Attached is a short recommended book list. However, any book approved by you will be accepted. In addition to reading, students will be required to complete the one of the "Clifford" book reports or the "Hamburger" book report. All students who complete this assignment and return the Summer Reading Log Sheet signed by you will participate in a "Back-to-School Reading Bash."

In closing, I would like to thank you, the parents and guardians, for your continued support of our Summer Reading Program. When home and school work together, it is our students who benefit the most. It is our goal that the students retain their learning over the summer, so that they return for the new school year prepared and ready to learn more!

May you be blessed with a wonderful Summer,

Mrs. Diana Tice

Principal
