Social Distancing and Other Safety Protocols

Requirement(s)	Strategies, Policies and Procedures
----------------	-------------------------------------

*** Classroom/learning space occupancy that allows for 6 feet of separation among students and staff throughout the day, to the maximum extent feasible**

Desks will be positioned in rows, facing forward, with six-foot spacing marks

Weather permitting, outside learning will take place

Materials will be cleaned and sanitized after use

Removal of unnecessary materials and furniture

***Restricting the use of cafeterias and other congregate settings, and serving meals in alternate settings such as classrooms**

Meals will take place within each classroom, at individual desk areas

Playground use will be staggered

*** Hygiene practices for students and staff including the manner and frequency of hand-washing and other best practices**

Children will be washing their hands with soap and water for at least 20 seconds. If hands are not visibly dirty, alcohol-based hand sanitizer with at least 60% alcohol will be used. Children will be supervised to prevent ingestion. Staff will wash their hands after assisting children.

*** Posting signs, in highly visible locations, that promote everyday protective measures, and how to stop the spread of germs**

Proper hygiene picture signs will be hung inside restroom near sink areas; proper hand washing will be demonstrated

* Handling sporting activities consistent with the [CDC Considerations for Youth Sports](#) for recess and physical education classes

Limiting the sharing of materials among students

Limited numbers of recess balls and other equipment

Balls and hard-surface equipment will be cleaned and sanitized after use

Materials such as chalk will be placed inside individual baggies or boxes for each child

No toys or devices will be permitted to be brought from home except for Show-and Tell items in designated bag

Exercise, music, dance, singing, and stretching activities will be held on the outside grassy areas with required face coverings

Staggering the use of communal spaces and hallways

Recess times and outside learning times will be staggered as to not cross contaminate PreK3 and PreK4 groups

Adjusting transportation schedules and practices to create social distance between students

Staggering and lengthening arrival/drop-off times

Limit the direct contact with parents

Drop-off times near flag pole:

PreK3s 8:15-8:45 A.M.

PreK4s 8:00-8:45 A.M.

Staff members will be greeting children outside as they arrive, weather permitting

Screening questionnaire, temperature checks, and checklist will be utilized

All staff members and students will use hand sanitizer upon entering the building

Pickup times:

11:30 A.M. for half-day students

Pick up will be next to the flag pole area

3:00 P.M. for full-day students

Parents are asked to park on Wilson or Leonard Street and wait on the inside of the fence area

Practice social distancing as the children will be dismissed by way of the three gray classroom doors

Requirement(s)	Strategies, Policies and Procedures
<p>* Monitoring students and staff for symptoms and history of exposure</p>	<p>Monitoring staff and students via screening questionnaires and two daily temperature checks - one upon entering and second at midday</p>
