

# ST. THERESA PRESCHOOL

Taking Registrations for  
the 2022-2023 School Year

Full-day and half-day programs

For 3 and 4 year-olds

610-838-8161 or [secretary@sttheresaotcj.org](mailto:secretary@sttheresaotcj.org)

We celebrate the education and formation offered by St. Theresa Preschool, which will benefit our students not only in Kindergarten, but also throughout their formal education. Our Preschool program offers students both academic opportunities and positive self-esteem through integrated learning experiences in a broad spectrum of areas.

**Religion:** appreciation for God as Creator; understanding that they are children of God; engagement in daily prayer; practice of behaviors that reflect positive Christian values.

**Social-Emotional Development:** cultivate a sense of trust, security, and self-confidence; engage in positive connections to other children and adults; demonstrate the ability to listen, focus, and communicate; comprehension and implementation of age-appropriate directions for both group and independent activities.

**Emergent Language Skills:** engage in basic communication skills (speaking, listening, and writing); attentively listening to conversation and stories and responding with comprehension; demonstrate the ability to recognize the letters and sounds of the alphabet; exhibit the ability to print letters of the alphabet.

**Mathematical Skills:** recognize basic geometric shapes; awareness of numbers as quantity; perform simple mathematical operations; identify patterns, relationships, and classifications.

**Scientific Skills:** observe and identify the properties of objects; explore and investigate animals, plants, and other objects in the natural world; organize and categorize in a scientific manner.

**Social Studies:** identify the unique characteristics of self and others; explore the roles, traditions, and customs of families; develop and understanding of neighborhoods and communities.

**Art, Music, Physical Education, STEM and Technology:** participate in a variety of daily age-appropriate activities in these fields that stimulate interest in further exploration.

Each day is a new opportunity to discover the beauty and wonder of God, self, and others. St. Theresa Preschool truly is a unique treasure and blessing to our

Parish and Community. Check out what our Preschool can offer to your children or grandchildren by contacting our Preschool at **610-838-8161** or **[secretary@sttheresaotcj.org](mailto:secretary@sttheresaotcj.org)**.
