Dear Parents,

Greetings from Anita Vincent!

As I look back on my first year here at St. Theresa's as the Director of Religious Education and Formation, I feel immensely blessed to have a part of this faith community. As I look forward into the next year, I want to welcome you to a new PREP year and assure again you that I am committed to this journey of bringing the children entrusted into my care closer to God.

As we did last year, Fr. Krivak and I invite you to attend a monthly PREP Mass on the first Sunday of each month (see calendar for details). This is a wonderful opportunity for you to share your faith with your child and build community with other PREP families, as well as the wider parish community.

As most of you have learned over the past year, email is my preferred mode of communication, so please provide me with an email address that you use and check regularly when you register your child(ren) for PREP/CGS. My email address is on the parish bulletin. Please know that I am available as a resource for you and your family anytime that you need me.

Please see the RE calendar for details about classes, parent meetings, PREP family Masses and the sacramental calendar.

All registration for religious education is online – please use the appropriate link on the parish website to fill out the registration form. Be sure to fill out all the details and then click “submit.” This will send the registration to my email. When you have submitted the form, you will receive a “thank you” email. Please drop-off or mail the fee to the parish office (1408 Easton Road, Hellertown, PA 18055) as soon as you have completed the registration. Your child is NOT enrolled without the fee.

I look forward to meeting you all very soon!

In the love of Christ,

Anita Vincent

Director of Religious Education and Formation
